TROY ROLLING ANNOUNCING BID FOR COUNTY TREASURER

Benton Charter Twp., MI - Troy Rolling of Benton Township announced today that he will seek the Republican nomination for Berrien County Treasurer in this August 4th election. Brett Witkowski decided not to seek re-election.

“The economy is in real turmoil because of coronavirus, and it has had a profound impact on families, businesses, and workers across Berrien County. This is an important time for bold and innovative leadership from our next County Treasurer, especially when it comes to helping households and entrepreneurs who face challenges with their property taxes. As County Treasurer, I will proactively work with families and business people to overcome those challenges and stem the tide of tax foreclosures. Working together, we can keep our county and our citizens strong.”

Rolling is confident that he is well prepared to serve as Treasurer. He has served in several leadership positions over the last two decades, including managing numerous employees. In addition, as a small business owner and a leader in a national organization, Rolling has experience with creating and managing large budgets.

Rolling plans to launch his campaign with a series of virtual town halls.

To learn more about Rolling, voters can go to www.TroyRolling.com or Rolling for the Berrien County Treasurer on Facebook. Rolling can also be reached through his campaign office at 269.210.5800 or RollingForBC@gmail.com.
